Principal's Message

In this Tam O'Shanter, the Editors have attempted to capture an image of 1982/83 at Bonnie Doon.

Although we may remember the excellent facilities and opportunities that this school has provided, it is the memories of great moments and friends here that are etched in our hearts. We look back at our ideas, attitudes and aspirations upon entering Bonnie Doon and compare. We will undoubtedly do this again many times in the years to come and will note many changes. The advocates of change who have opened new horizons in our minds are the people, the friends, who have cared by offering friendship and assistance, sharing success and failures, sharing ideas and hopes, or by disagreeing with us, prodding us, advising us, encouraging us, motivating us and sometimes by just putting up with us.

On the pages of this publication we will find pictures of happenings and images of people who have touched us and have been a part of your life and mine. I hope that we will always, when we browse through these pages, continue to appreciate the memories that we experienced and enjoyed at Bonnie Doon. It is now our opportunity to share our experiences, our successes, our friendship and our hopes with others. If we can carry this spirit of comradeship with us beyond the walls of Bonnie Doon, the prophecy may still come true: "The future is the better part of today."

A Foundation on Which to Build

For the Football Team, this year's season could be best described as a successful rebuilding year. The team was very inexperienced, consisting of only a handful of players with previous football experience. Consequently, the team got off to a slow start, winning only one of its first five games. But as the season progressed and the team grew in experience and confidence, a noticeable improvement could be seen.

The team ended the season with three straight victories and was capable of competing against any team in the city. By the end of the season the team

was not only playing winning football but also exhibited character, dedication and a positive attitude. These attributes are good signs for the future.

The win/loss record at the end of the season was five/four and the team capped the season by winning their division championship. Not bad considering the slow start. Both the coaches and players feel the season was a successful and rewarding experience and they are already looking forward to next year.

A Bountiful

Due to a great amount of talent this season - we had not one but two Junior Volleyball Teams. Both showed marked improvement over the season. The Green Team placed ninth in the Premier Division. The Gold Team won in the quarter-finals but lost to St. Francis in the semi-finals. According to coach Swanson - although the Senior Teams win/loss record was less than impressive - it never tainted the team's spirit as evidenced by their semi-finals placing in the City Division.

Beat the Best

CHAMPIONS! This is the best and most fitting of descriptions for this truly awesome group of athletes. Following an undefeated record in League play the Seniors went on to win the Saskatoon and McNally Tournaments and best of all they became the Provincial Champions! Way to go guys! Due to the enthusiasm of the new arrivals of the Grade 10's the Junior Boys' Volleyball Team was divided into 2 teams.

Both teams proved to be very successful. Out of a league of 15 teams, the Green Team placed 3rd and the Gold Team placed 7th. The Gold Team won 80% of their games and the Green team won 70% of their games. Both teams made the Premier Conference play-offs. Next year we are looking forward to our Senior Team being founded by these two excellent Junior Teams.

CONSOLATION TROPHY

The Senior Girls were engaged in a moderately successful season. The first half was strong, with the team recording only two defeats. Unfortunately, the second half was less spectacular. Highlights of the season were both the Consolation Championship Trophy won at the Drayton Valley Tournament and a strong play-off game against the eventual City Champs - St. Joe's. We are anticipating a strong performance from the Senior players next year.

TOUGH START

With a very new team to start the new season, the Junior Girls' Basketball Team had a rather tough start. Toward the end of the season there was a vast improvement though. In the quarter finals against St. Joe's, the girls played a very close game losing by only 4 points. The girls all have high hopes for next year's team.

Mr. T. Ross, Coach; Norbert Janke, Slade McCormick, Ken Thomas, Jim Doyle, Keith Rispin, Karsten Kelm, Don Johnson, Steve Wood, Neil Smith, Danny Beaton, Bill Butler, James Pryma, Manager.

The '82/'83 Basketball season will long be remembered by the players and coaches of the Junior Lancers' Team. With one holdover and eleven raw rookies, they suffered six defeats in the seeding round of the schedule. Hence, they were placed in the second round of the City Conference where they finished with an 8 and 2 record and a tie for second place. Triumph over their playoff opponent M.E. Lazerte won them the right to face O'Leary. Having conquered O'Leary they earned the right to play McNally whom they defeated in the City Championship game. For all their efforts, the Junior Lancers were presented with the Dr. Barry Mitchelson Trophy-designating them CHAMPIONS OF THE CITY CONFERENCE! Great going guys!

Although the Senior Team came up short in the Premier Conference playoffs - losing to McNally in the quarterfinals - the overall season will be remembered as a very positive one. As a result the boys finished second in the geographic round with a 7 and 2 record and fifth in the Premier Conference round robin with a 5 and 4 record. Highlights of the season included:

Finishing first with an undefeated record at the Tarsands Invitational in Fort MacMurray.

Winning the silver medals at the Puma Invitational and the Blue Gold Classic at NAIT. The losses were in the finals to Harry Ainlay and Jasper Place High Schools, respectively.

The 1983 version of the Bonnie Doon Rugby Team was a fine blend of rookies and veterans. Youth and experience combined to produce a very successful season. For the second year in a row Bonnie Doon placed first in the Premier Conference. Unfortunately, for the second year in succession, the team lost in the semi-finals. This year the loss occurred when Salisbury scored in the dying seconds of the second overtime period. Both Mr. Heffel and Mr. Senuik feel that the 1983 Rugby team was a well disciplined team of exceptional physical and moral character. Congratulations team!

BACK ROW: Mr. F. Ulrich, Coach; Darryl Rosell, Craig Broadbend, Michael Payne, Thomas Kelm, Dwayne Myrmo, Doug Beaudry, Trach Kepke, Minh La, Harnek Singh.

After a difficult season plagued by drop-outs, injuries and tied games, the Junior Boys had a tough team for the play offs. After two overtime periods in the semi-finals against Eastglen, the boys lost 5-3. Coach Ulrich was very proud of the character, spirit, and heart displayed by the team. He is looking forward to greater things from next year's team.

ABOVE: Using one's head!

In 1983, after several years of relying upon Grade 12 players, Bonnie Doon faced the task of re-building the Senior Soccer Team. Only three players returned from the previous season. There were many fine performances from the Grade 10's and 11's who made up the majority of the team. The team had some early success, but faltered near the end of the season. The boys made the playoffs in the City Conference where they were eliminated by Victoria C.H.S. in the quarter-final. Coach Buxton is looking forward to an excellent season next year.

The Field Hockey Team placed third in the City. Overall it was a great season. They had a record of two wins, one tie and three losses. Since the majority of the team had never played interschool field hockey, they did quite well. With each practice and game, their skills improved. Next year looks promising as more than half of the team will be returning.

BACK ROW: Jane Williams, Denise Gee, Joanne Lockert, Denise Carlson, Rose Franke, Angie Celino, Gillian Cole, Darlene Dawes, Barb MacGillivray, Cheryl Cox, Lynn Grantham, Ms. S. Holder, Coach.
FRONT ROW: Tracey Wade, Barb Fort, Norma Lorincz, Claire Williams, Sau San Quan, Darota Kaczynski, Carla Livingston, Robbin Thurn.

Practices started late this season for the Girls' Handball Team. The Handball Team consisted of 13 girls, one coach and one assistant coach. Considering their slow start - the girls' team played quite well in the tournament. The season itself was very short. There was only one tournament which was held in April consisting of four girls' teams. The schools entered were Austin O'Brien, Bonnie Doon, Jasper Place and McNally. After the tournament the first and second place teams proceeded to the Provincials in Red Deer. Bonnie Doon's record was Austin O'Brien (3-1), Jasper Place (11-7), Bonnie Doon (6-5) in the tournament and Austin O'Brien (8-2) in the semi-finals.

A Multitude

The 1982 Cross-Country Team has been the most successful one in the history of Bonnie Doon. The team competed in six meets and each runner progressively improved his/her time and standing from one competition to the next. All ten team members made it to the City Finals, with four of them proceeding to the Provincial Finals. Congratulations to each of the team members for such a good showing.

BACK ROW: Mick Anderson, Roger Carl, Mark Janke, Dean Kwan, Mr. D. Resler.
FRONT ROW: Brad Murphy, Lisa Workun, Terrylyne Shoaf, Gloria Wilson.

Bonnie Doon teams entered the NOR'WESTER RACE for the first time. A total of 5 teams entered - 3 boys' teams and 2 girls' teams. Counting alternates and supporting staff members, well over 65 Bonnie Doonites were involved. Success smiled on the Bonnie Doon teams, which included runners from Soccer, Rugby, Field Hockey, Handball and Track and Field teams, as well as runners from the Centennial Montessori School. The girls placed first and third in their division. The boys placed first, fourth and sixth in their divisions. The combined effort of the boys' and girls' teams was the best of all the High Schools that entered. CONGRATULATIONS!

BACK ROW: Ray Jorgensen, Steve Wood, Darryl Rosell, Craig Broadbent, Brad Smith.
FRONT ROW: Danny Beaton, Mark Janke, Marvin Kwan, Andrew Clarke, Slade McCormick.

Track and Field commenced in November, 1982 this year, with indoor training at the Kinsmen Field House. Approximately sixteen members of the team took advantage of this opportunity to improve their condition and skills. During the Indoor Season, the team competed in four different Indoor Meets. The consequences of these were indeed very en-

couraging, as several of the Grade 10 students, along with the others proved themselves to be outstanding competitors. The Spring or Outdoor Season commenced in earnest with the Rebel Road Race, in which twelve participants competed for Bonnie Doon. Our best tally of the results indicate that Bonnie Doon won this event.

Indicating that the indoor training had served its purpose well. The participation was good and the interest high as some sixty members entered the various events of the four Inter-School Meets. While there were some outstanding competitors who gained individual status and recognition, the team placed seventh out of the twenty-five City School teams.

Four members of the School Team competed in the Provincial finals and proved themselves to be among Alberta's best. Congratulations to the team for their fine performances. The year has been a rewarding one in terms of participation, comraderie and good sportsmanship.

The boys' Handball Team participated in two tournaments this season. They finished second in the Edmonton Tournament and advanced to the Provincial Tournament in Red Deer. In the Provincials they were defeated in the semi-finals in an exciting game which ended in an overtime three shot shoot-out. The team demonstrated a great deal of improvement from game to game and their ability and desire were excellent. Thanks to Steve Jorgensen for a coaching job well done.

A Rainbow of Many Colors

As everyone looks back at another school year, there are so many things to reminisce about. The good and sort of rough times will always be part of us all. I sincerely hope that this year's Students' Union was able to help make the good times better and the rough times a little bit easier to bear. I am sure that these memories will be cherished forever.

A special thanks to the other Students' Union members, friends and staff for their help and support that was so dearly appreciated. Finally, I wish everyone the best of luck in the future (and present) and may we all reach the end of our rainbows.

Balloon Daze

So sweetheart, you want to go for a ride? If you have an affinity for floating after seeing that certain girl/guy you should have been on our wild balloon escapade last winter. Up up and away we went!

On Saturday morning, Feb. 12/83, eighteen student members of the Science Club and five teacher supervisors met at the Edmonton International Airport, boarded an Air Canada Jet and flew to Victoria B.C. At Victoria the group rented two 15 passenger vans and travelled over highways and logging roads to reach Bamfield - their "home away from home" for four adventure filled days.

Bamfield is a small fishing village on the southwest coast of Vancouver Island. It is also the site of the Bamfield Marine Biology Research Station, a research and study facility funded by the Universities of Alberta, Calgary, Simon Fraser, British Columbia and Victoria. The Science Club received permission to participate in the Marine Station's field trip program and it developed into the trip of a lifetime providing educational experiences that the club members will cherish for many, many years.

The marine setting of this facility made possible adventurous and exciting expeditions to sea caves at night (entrance to the caves only possible at very

low tides), to beaches with enormous surfs, to rocky islands inhabited by seals and sea birds, to rain forests overgrown with vegetation and to sea in a trawler - an exciting heart-stopping adventure since the seas were stormy with huge waves which tossed their small trawler about and gave several of our Prairie grown students their first taste of sea sickness.

On each and every expedition they were accompanied by Mr. David Denning, a member of the excellent scientific team employed at the Marine station. With David's help and direction marine specimens were brought back to the station's laboratories for further examination and study by our students. The scientific studies became artistic when they were taught how to do "fish-printing" and read algae "pressings". The days were long - they "worked" from 8:30 AM till 10:00 PM nightly. Students kept a daily log of their activities and impressions and to quote from one - "it was without a doubt the best trip of my life". - says it all!

Adventurous

and Exciting!

An Innovative Adventure!

Open House at Bonnie Doon was held the evening of April 28. An innovative new format was used with very positive results. The evening started with parents and students visiting teachers in their classrooms, from there our guests assembled in the gym where they were treated to music selections by

the school band and a welcome from the school administration. The evening ended with guests and teachers relaxing over coffee and viewing displays. A thoroughly enjoyable evening and an excellent start to a new concept in Open House for Bonnie Doon!

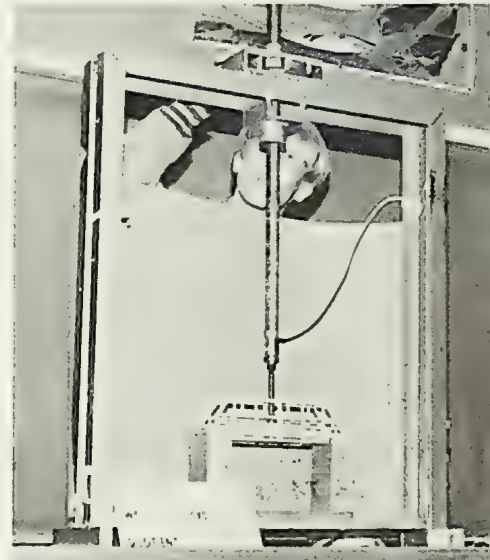

May 4th, 1983 will go down as a memorable day for the Physics 30 students at Bonnie Doon, especially for winner Harshad Patel. It was the 12th annual "Bonnie Doon Bridge Building Derby". This yearly event is the

highlight for the Engineer bound Physics students. They can apply their talents, research and skills in creating realistic model bridges that are tested for durability and load quotient. There was a total of 7 bridges

entered this year. All contestants benefitted from the advice given by Dr. McGregor, a Civil Engineer professor from the University of Alberta and Sponsor, Mr. R. Conquest. The lucky winner, Harshad Patel,

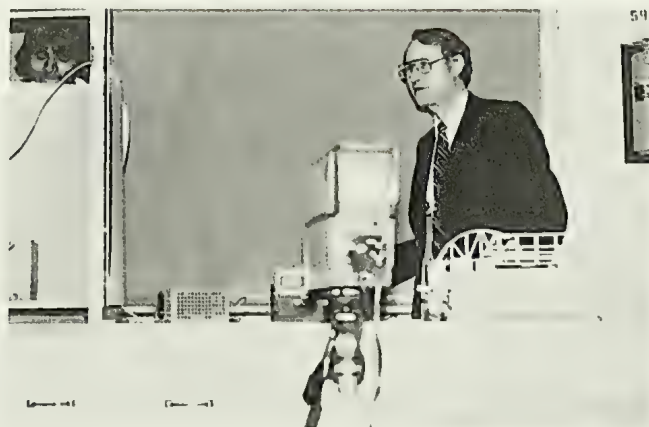

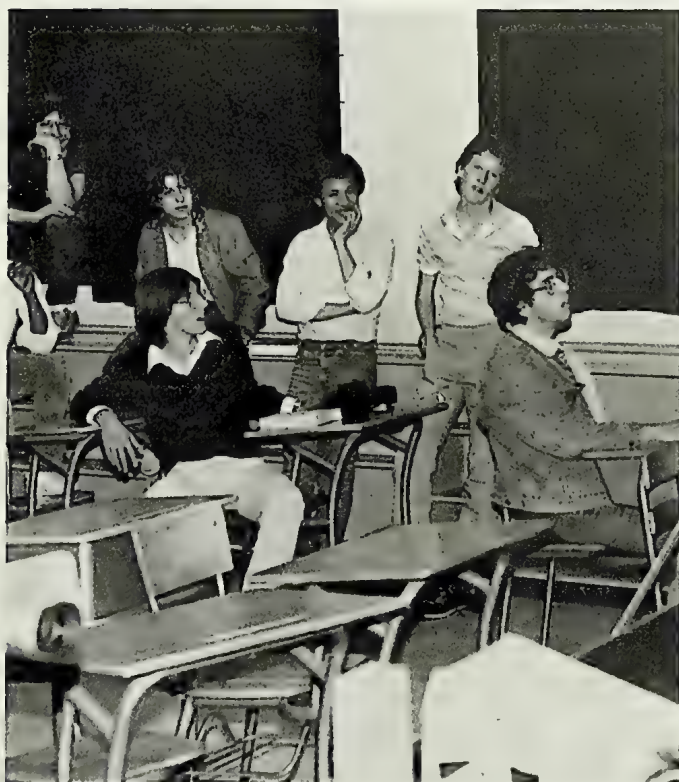

Alan Ralston, Martin Klingbeil, John Telder, Harshad Patel, Liana Jackson.

Tunes

Lori Assheton-Smith and Kevin Yelich.

Throughout the year Bonnie Doon has been host to many successful and enjoyable dances in which numerous students have taken part. We danced to the tunes of the bands Twenty-Foot and the Models. At the Valentine's dance we crowned the King and Queen of Hearts, - Kevin Yelich and Lori Assheton-Smith.

Not only did Lori become our Queen of Hearts - but she also became Miss Teen Canada.

A Tradition of Excellence ...

AWARD WINNERS

This year marks the first time that Bonnie Doon honoured its award winners twice! The reason for this goes back to last year when the Students' Union asked to be relieved of their responsibility for financing and operating the award days. The job was assumed by the teaching staff, who stream-lined the policy by combining the athletic and service awards with the academic awards in a single evening function which is to be held in June. From now on, there will only be one ceremony at the end of each year.

*Awards
'82-'83*

Good evening, only 100 credits separate each of us from those timid, confused Frosh victims that entered Bonnie Doon in the fall of '80; 100 credits, some 200 highly questionable absences, and over five hundred new acquaintances we've met. Bonnie Doon has cultured those mouthy defiant 15 year olds into educated, mouthy, and defiant 18 year olds.

Before we could say Takahashi, the '80 Football season was in full swing and we were introduced to fan buses, school spirit, songs and cheers. Our Football teams were unsuccessful in '80 and '81. This year we were unable to field a team, although many guys expressed an interest in playing with the Scona team. - Playing football that is.

This year, all eyes focused on our guys' Volleyball team as they finished first, going undefeated in regular season play. They won tournaments at McNally and captured the Provincial Championship.

In Grade 10 the girls' Basketball teams went to the Provincials while the guys went to the semi-finals in Grade 10 and the cemetery in 11 and 12.

The finest overall effort has been made by our Lancer Rugby teams, who have lost only one game in three years. They acquired two Pirate's Sevens Tournament victories and one league championship. The '81 girls' Field Hockey team won the Provincial Championship for Bonnie Doon.

Our drama and music programs continually put out first class displays at concerts, competitions, and festivals. Many memories of B.D. will stay with us forever. Student-teacher hockey games, dances, ski-trips and trips to Russia and France are unforgettable.

On behalf of the class of '83, I would like to thank some people who made our High School years what they were. The Post Office for making it too expensive to mail home our absence notices and also to the School Board for not making us write departmental exams. Thanks go to the Labatt's employees for voting 65% in favor of returning to work.

I would like to thank our teachers and support staff for your help; you've truly been sensational. Most importantly, I'd like to thank our parents for their love and understanding; bless you.

Congrat's, guys, on climbing the first major step in your lives. Happy trails to you.

Mark A. Wyatt - Class Historian

(Speech edited due to length).

Grads and

Good evening, honored guests, ladies and gentlemen, and fellow Graduands. I am very proud to be a part of this Graduating class and very honored to have been chosen its Valedictorian. Graduation is an occasion we have worked hard to earn. As we are gathered here this evening we share in each others achievements and remember special moments and memories which were made at Bonnie Doon.

Tonight we have assembled to celebrate a dual occasion. We celebrate the successful completion of our first long and hard journey. All of us should feel great pride in what we have achieved - an Education. There are several people who have made this evening possible, - our teachers, our parents, and our friends. Most of us have acquired particular memories of teachers who inspired us to make that extra effort. They had faith in us when we had lost it in ourselves. To all of them we extend our sincere appreciation and thanks. To our parents we pay a special tribute for their continuing love and endless support. It goes without saying that what we have learned from them will be with us for a lifetime. To our friends we thank you for sharing the good and the bad, the laughter and the tears, and for creating our fondest memories.

We also celebrate the new roads which lie ahead - the dreams which are so much closer. As we take our first steps as adults, we emerge into a world which will not offer to us the same unlimited choices as those before us. This, however, may prove to be a great advantage. It will give us the opportunity to take all the skills and lessons we have learned in the past and use them to meet the challenges that will face us in the future. The route to our goals may not be as straight-forward as we had expected but the detours could lead to valuable experiences we would otherwise have missed. Perhaps in the search for ourselves we will learn to measure our successes not by how much we have, but by our ability to love and live with each other in a more compassionate and peaceful manner.

Saying good-bye to Bonnie Doon and the many experiences shared there leaves some sadness. But I am glad to have been part of such a fine group of people, our class of 1983.

Thank you and best wishes to you all!

Jill Robinson - Valedictorian

Last and Most

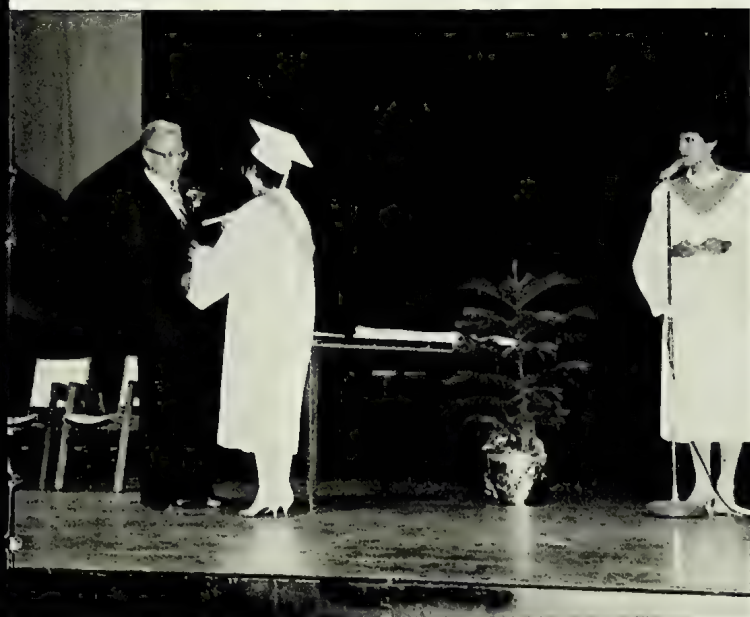

On Friday June 3, 1983, noisy Graduates were preparing themselves backstage at the Jubilee Auditorium for their last and most glorified moments of their High School years - Graduation. The Graduates were enriched by the advice given from Mr. D. Bradford and the noted celebrity, Don Percy. The Graduating years in review was given by Mr. R. Carson and on the lighter side, Mark Wyatt presented the Class History. Jill Robinson, this year's Valedictorian, did an excellent job on our last farewell to Bonnie Doon High. The night was completed by Darlene Teske singing this year's Grad

theme song - "Old and Wise".

Truly the Graduates are older and wiseness is wished for every one of them. Thanks was expressed throughout the night to parents, teachers, and friends. Some special mentions are: Constable D. Eascott, Ms. C. Olynyk and Mr. H. Ross - Grad advisers and collaborators.

Good Luck Graduates of '83.

Glorified Moments

*Sunday Best

Saturday Night*

Everyone was in their Sunday best on Saturday night, June 4, 1983. This was the scene at the beautiful Terrace Inn; the gathering place for Bonnie Doon's Graduating class's Banquet and Dance.

Jeans and T-shirts were put aside momentarily to make way for the many colors and styles of dresses and of course the men and woman of tuxedos. Loving couples old and young were everywhere. Cameras were also a major part of the evening.

FAR UPPER LEFT: A smiling and happy couple.
 FAR UPPER CENTER: Mary-Jo complimented her escort's attire (or vice-versa) with a Tux - a great trend!

 UPPER RIGHT CENTER: Sau San and escort capture the moment.
 UPPER RIGHT: Norman Ritter and his pretty partner dancing the night away.

Old and Wise

The 1983 Grad Council worked very hard this year to plan the Grad ceremonies and banquet which took place on June 3rd and 4th. The council raised money through bottle drives, selling T-shirts and beer mugs. Spirit was sparked amongst the Graduands by taking candid photos and organizing them into a slide presentation. The theme for our 1983 Grad Class was "As far as my eyes can see" as it was the opening line in our theme song OLD AND WISE.

Seven of the council members got together early in September

1982 to represent the "Old and Wise" of Bonnie Doon. The purpose was to show the Grade 10 students that their Grad year was not far away so they should get involved and enjoy the few years of High School. The assembly was fun filled with skits, neat games, care and courage. Three years at Bonnie Doon have supplied the Graduands of 1983 with important lessons and many unforgettable memories. Good luck to all the Graduands of Bonnie Doon's class of 1983.

*From our
journey
we will
always
remember ...*

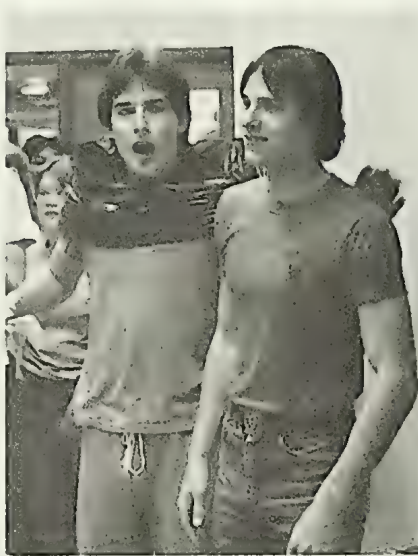

*... the
assortment
of
unforgettable
characters ...*

*... the crazy
and colorful
things that
happened at
Bonnie Doon ...*

*... that have become
a special
part of
our lives!*

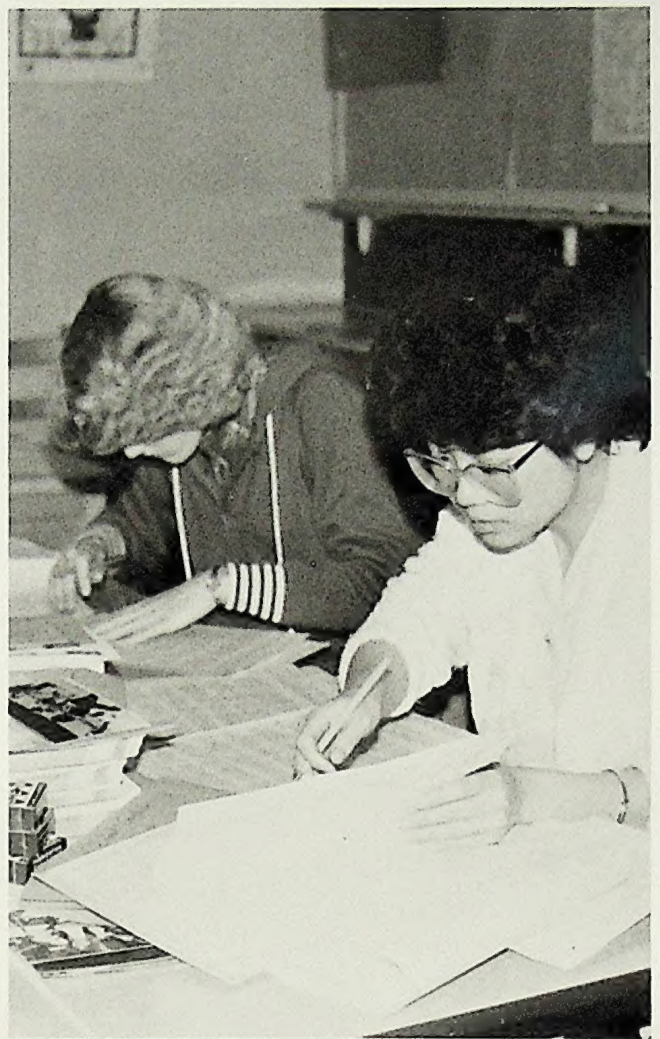

*Small ...
but
Great!*

This year's Tam O'Shanter staff proved the saying that great things come in small packages. It proved to be a very hard working, cooperative and an excellent group to work with. Staff members in alphabetical order:

- Kim Gingerich
- Rita Lauterbach
- Sau San Quan
- Marion Shaw
- Debbie Wong
- Ms. C. Olynk - Adviser

A special bouquet goes out to Kim, Debbie and Rita who devoted a week of their summer holidays towards the completion of this book.

The Yearbook Photography staff also turned out to be small - but also great. A special thanks goes out to Darlene Hildebrandt, Sue MacRae and their sponsor Mr. F. Gainer for providing pictures for the Yearbook until the end of June. Once again we would like to thank Mr. Gainer for his extra efforts to ensure that the best possible pictures were available for our use. We would also like to thank Ron Kwan, Jill Robinson, Mr. H. Ross, Mr. D. Eastcott, Mr. D. Bradford and Mr. R. Conquest for their contributions.

Special thanks go out to:

- Dick Huber and ICP
- Mr. Gainer and the Yearbook photographers
- all the coaches who supplied us with material for the write-ups for their various teams
- the staff members who provided encouragement and support and/or provided write-ups for the different activities that they sponsored
- the students - without whose support, we could not survive.
